Future Events

If you are aware of any future events or local activities that might be of interest to other club members please inform the committee or Trevor Mulford at; trevormulford1942@gmail.com.

The committee is also considering a mini holiday next spring based at a hotel in the New Forest. This will be a convenient location for local attractions such as Beaulieu and Exbury gardens. However, before any further planning is undertaken, we need a few more people to support this venture. There is no commitment at this stage, but if you are interested in this or other club holidays please email Don at: donb4wipers@yahoo.com

Membership Renewal 2023

The club needs to update its membership records so please ensure you return your completed form to nhaegmembership@gmail.com as soon as possible. Thank you to all those members that have already completed their membership forms and paid subs for 2023.

If you do not intend renewing your membership then this will be the last newsletter that you will receive, so please renew your subscription as soon as possible.
