

Dear Members,

A belated Happy New Year to one and all and may all your wishes for 2020 come true ! We trust your festive activities went well and that you have now recovered from the inevitable excesses of Christmas.

2020 Renewal Subscriptions

A big thank you to all those members that have submitted their online club registration forms and paid the club renewal subscription for 2020.

PLEASE don't forget to complete the online form at the link below. It is really quick and easy and helps the committee to maintain membership records.

<https://form.jotformeu.com/Quondman/car-club-registration-form>

The aim is to hold all membership records electronically and in future we will not ask for this information again. Next year it will therefore only be necessary to inform the committee of any changes to the details held.

Photographic Competition

As briefly mentioned at the last Club Night it's proposed to stage a photographic competition for NHAEG Club members, to run between now and the end of September 2020.

Rules are simple. There are three categories of subject: Landscapes, People/Animals and Automotive-related. Prints should be no larger than 7" x 5" and should be submitted to any Committee member by 30th September.

Judging will be by members present at the October Club Night, the photograph in each category attracting the most votes will secure a prize!

You now have the best part of 9 months, over 4 seasons to get busy snapping. Good Luck !

Club Night - AGM

The AGM will be held at the next club night on Monday 13th January 2020. At the meeting members will be invited to:

1. Nominate an individual within the Club who, in your opinion, has made a notable contribution in some way towards the Club in the past year. The person attracting the most votes will be presented with the Good Service plate, to be engraved with his or her name for 2019.
2. Nominate a small, local charity which, in a draw to be made on the night, will receive a donation based on a percentage of the profits arising from the recent Nightjar Navigational Scatter Rally. The only criteria are that it MUST be small and local, the kind which would truly feel the benefit of a modest boost to its finances - not one of the large, national, well-known charities.

Please ponder these two issues and be prepared to come up with a couple of nominations in January.

Volunteers Wanted

Having successfully masterminded the 2019 NightJar Rally, Richard L has now decided to step down from this role. Therefore we need to find a volunteer to fill his shoes and Project Manage this important event for 2020 which is the 45 anniversary. If you feel you could support the club in this role, or would just be willing to help with selecting sites and setting clues etc, please contact the Committee.
