## Club Matters

The funeral for Brian Adam is to be held on Monday 12<sup>th</sup> June and the committee has therefore decided to postpone the club meeting planned for that evening. The AGM will therefore now be held on the next club night ( Monday 19<sup>th</sup> June).

The AGM will include a brief report on club finances including the donation of £130 to the 'Drive it Day' charity.

It has been decided not to send out committee nomination forms to all club members, but to ask on the night for volunteers to stand as elected members. So far Andrew Lamden and Alan Pickett have been nominated as candidates for the committee.

Voting slips will be provided only to those members present. Please note there will be no email voting for members not present, so please try and attend – your vote matters !

Richard Scott and James Campbell are proposing to organise the 40th ( or is it the 45<sup>th</sup> ?) edition of the Nightjar Rally on Saturday 11th November 2023.

So save the date!

It will still be a night time scatter rally but the format will be slightly modified, with less trudging through the mud!

We will be based at the Departure Lounge near Alton and we welcome all comers in any age of vehicle.

The regulations will be published in due course.

Register your interest now and email Richard on [RScottok@btinternet.com](mailto:RScottok@btinternet.com).

## Christmas Lunch

Sand Martins Golf Club has confirmed that they currently have availability on Sunday 10<sup>th</sup> December and the committee have provisionally placed this date on hold. The price will be £35.95 per person. A deposit will be required soon and further details will follow.

## Photo Archive

Does anyone have any photographs of themselves standing next to their cherished car that were taken back in their youth, and also a more recent picture standing with the classic car they own today ? If you are happy to have your pictures appear in the club bulletin please loan them to Adrian W , or scan and email them to [nhaegmembership@gmail.com](mailto:nhaegmembership@gmail.com)

Do you recognise this young man who is a long term member of the club ? If so ask him where the picture was taken.

# SOUTH WEST 660 EXPERIENCE THE JOURNEY DISCOVER THE DESTINATION

South West 660 is an iconic road trip from Poole in Dorset to Watchet in Somerset, following the beautiful coastline of south west England.

With 12 unique sections, each around 50 miles long, you will experience the diversity and splendour of the four counties that make up this corner of the UK.

Alan P drove the South West 660 in May with his brother in Gwendoline. She was 90 on 20th May and was first registered in Paignton. Alan was in Paignton on that day to celebrate her birthday and then stoically drove on to Lands End.

However on Day 7. Camborne to Clovelly Gwendoline lost power about 5 miles from St Agnes. The car stopped just up a hill a beyond a bend, not the best place. A very kind man pulled up and towed us to a safe place. The Accuspark distributor had failed. We had spare leads, plugs, distributor cap. But no distributor!! That will teach me to rely on modern parts.

Excellent service from J H insurance who organised recovery by Four Winds garage. A loan car was given to us and we cut short the trip to arrive home about 8.30 pm. Gwendoline gets delivered home tomorrow.

Stay safe
