### WEST WYCOMBE SUMMER FAYRE AND CAR SHOW

**Saturday 11<sup>th</sup> July 2015**

The National Trust and West Wycombe Events Team would like to invite you to show your classic and vintage vehicles at the annual Summer Fayre and Car Show.

The car show will be running alongside the Fayre from 11.30am until 4pm.

If you would like to attend on the day, please confirm to [katecheshire@btinternet.com](mailto:katecheshire@btinternet.com).

Let us know the model of Austin and the registration number

Further information will be sent out closer to the event. In the meantime, if you have any queries or questions, please do not hesitate to contact me.

Kind Regards

Neil Harris

Chair, West Wycombe Events Team

### THE BAG SHOP HERE AT HOLME GRANGE

**Saturday 6<sup>th</sup> June**

So here is what we have planned for our "Vintage Day" to be held on Sat 6th June.

We have a Swing band booked and stall holders have been contacted with regard to pitches. There will be some kids activities, skipping ropes, hula hoops, face painting, hopscotch, etc, hair demos, a bar will be available and the cafe will provide a bbq.

I am hoping that some military enthusiasts will return with their ww2 vehicles and equipment.

Last year all the shop owners dressed in costume and the village had lots of bunting and balloons. It would be great if some of your car club members could join us for the day and add to the atmosphere.

The shops open from 10 till 5 and things start getting busier around 12 so anybody wanting to come would be better to arrive before 12.

I would need to know about numbers so allocated parking can be reserved. I am hoping that some of your more local members can visit us.

Thank you and I look forward to hearing from. you

Paul from the Bag shop

## **AUSTIN SEVEN OWNERS CLUB**

### **AUSTINS TO BRIGHTON APRIL 19<sup>th</sup> 2015**

Please see attached info and entry form for the Austin to Brighton run being held on April 19th 2015.

Note any entries received after 20th March are not guaranteed a rally board, plaque or programme. Cost is £25.00 per car and the event is only open to cars registered up to 1955.

We understand a few members have already decided to make the trip.

**The Austin Seven Owners Club (London)** is organising another run to Madeira Drive, on the Brighton seafront to celebrate the 110<sup>th</sup> anniversary of the Austin Motor Company.

The start, as in 2012, will be from the Woodcote Green Garden Centre, Wallington, Surrey SM6 0SU, near the quieter roads the route will take. There will be a stop en-route for refreshments.

**This event is open to ALL AUSTINS MANUFACTURED UP TO 1955.** Already a lot of interest has been shown from owners across the country and abroad who have been on our previous runs to Brighton.

Please use this entry form :

## **AUSTINS TO BRIGHTON CELEBRATION RUN**

**110th ANNIVERSARY OF THE AUSTIN MOTOR COMPANY**

**Sunday, 19th April 2015**

**open to all AUSTINS up to 1955**

Starting from Woodcote Green Garden Centre, near Wallington, Surrey, SM6 0SU from 8.30 a.m. we take a leisurely route to a halfway stop for refreshments. Then, continuing onto Brighton, terminating at Madeira Drive on the sea front. There will be an Austin autojumble when we reach Brighton. Period dress is encouraged to add to the occasion.

Monte Carlo style rally board, route sheet and commemorative programme will be given for each car at the start with a rally souvenir at the end of the run. Any entries received after 20th March 2015 cannot be guaranteed a rally board, plaque or programme.

Final instructions will be sent out to all entrants by 3rd April 2015.

**HART ROTARY CLUB**  
**CAR, MOTOR CYCLE & FARM MACHINERY SHOW**

**Saturday 13th June 2015**

We are delighted to announce that we will again be assisted on the day by the Hampshire Old Timers Car Club.

Vehicles entered into the Show will be judged for prizes in the following categories: Best Pre-war Car, Best Post-war Car, Best Motorcycle, Best Farm Machinery-Static Engine and Best Farm Machinery-Tractor. As in previous years, the “Best Overall Car in Show” will be awarded the prestigious “**Phil Anderson Trophy**”.

Hart Rotary's prime objective in running the Festival is to provide entertainment for the village and the surrounding areas and the programme, commencing at 12.30pm with a procession around the village, will include arena events and numerous stalls displaying local products and handicrafts. There is always something to attract all members of the family, young and old.

We make no charge for entry, but if you feel you would like to make a contribution to our running costs, please make your cheque payable to: “**Hart Rotary Club**” and post it to the Rotarian named at the bottom of the entry form.

**If you would like to enter the event, please complete the details on the Entry Form and return by e-mail or, if you wish to communicate by post, with an SAE.**

**If you return the form by e-mail, please enter your name on the 'Signed' row, which will signify that you are compliant with the insurance terms set out above it.**

Please do not just turn up on the day, as we may not be able to include your vehicle in the display and you will not qualify for any of the prizes.

**If you know of anyone else who would like to bring a vehicle along or you would like to enter more than one vehicle yourself, please copy the form, one for each vehicle.**

We do hope you can join us this year to make the Classic Vehicle display yet another successful event. We look forward to seeing you, your family and your Classic Vehicle(s) on the day.

### DRIVE-IT DAY April 26th

Further to February's club night announcement, Trevor Mulford is organising a trip to Odiham. Numbers unfortunately will be limited as there is to be a guided walk with the Chairman of the Odiham Society

A short driving route probably from The New Inn will be organised for those people wishing to make the most of "Drive it day"

The plan is to arrive in Odiham mid morning for coffee, there will then be a guided walk of around 1 hour before driving to the Fox & Goose in Greywell which is around 3 miles away for Sunday lunch costing around £10.00 per head.

Please let us know as soon as possible if you are interested in coming along. It should be a very good day.

### VSCC Spring Rally Navigator Available

It was good to meet some of you at the AGM in January and it got me thinking. I am keen to take part in the VSCC Spring Rally based in Surrey but my usual partner in crime (wife) cannot do it. I started thinking that I could still do the event by navigating for someone else. This might also give me the chance to experience different vintage cars and take part in different events.

So I am offering my services to anyone who is looking for a navigator the VSCC Spring Rally on April 25<sup>th</sup> from Churt in Surrey. I have some experience and currently run in the VSCC semi-experts class. I would be willing to share the cost of entry, fuel, lunch, post rally drinks etc.. If you would like to do the event and are looking for a navigator then please let me know by replying to this email.

If you cannot do the VSCC Spring Rally but may be looking for a navigator for future IRC or VSCC events then please keep me in mind and maybe we can do something together in the future.

Let me know what you think. Many Thanks Rob Rhodes - PWA7C Inter Register Rep

## QUERIES OF THE MONTH

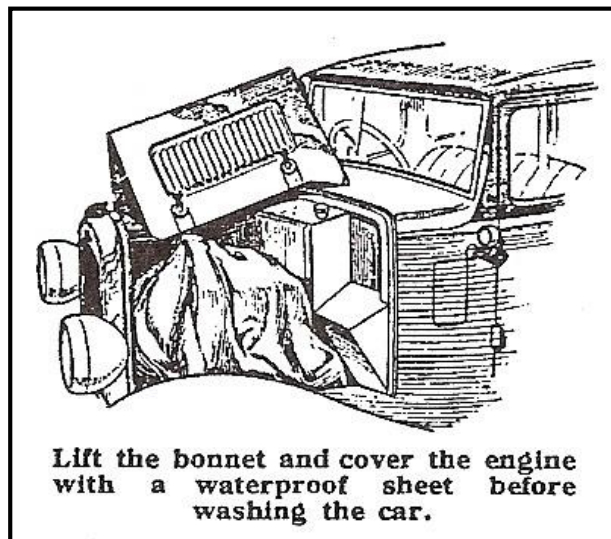

Some more “Queries of the Month”, these originally appeared in “The Austin Magazine & Advocate” during the 1930s and 1940s. This month’s selection consists of No 478 Washing Car – Austin Twelve-Six and No 712 Battery in Stored Car.

No 478 appeared in March 1933 and No 712 in January 1936.

### **No 478 – Washing Car - Austin Twelve-Six**

**Q.** *In washing my Austin Twelve-Six I have several times caused water to penetrate to the engine. Is this likely to cause harm, and should I wash the bonnet by some other means than by direct by hose.*

**A.** Water in the engine may cause erratic running, through shorting the high-tension ignition current, or, though less likely, through getting into the carburetter.

It is a wise plan to keep handy a piece of waterproof sheeting, or American cloth, which can be placed over the engine inside the bonnet to protect the power unit from water entering through the bonnet louvres whilst using the hose.

Further, when washing the car, always avoid directing the hose at the radiator surface, as the water can then pass directly through the air spaces onto the engine.

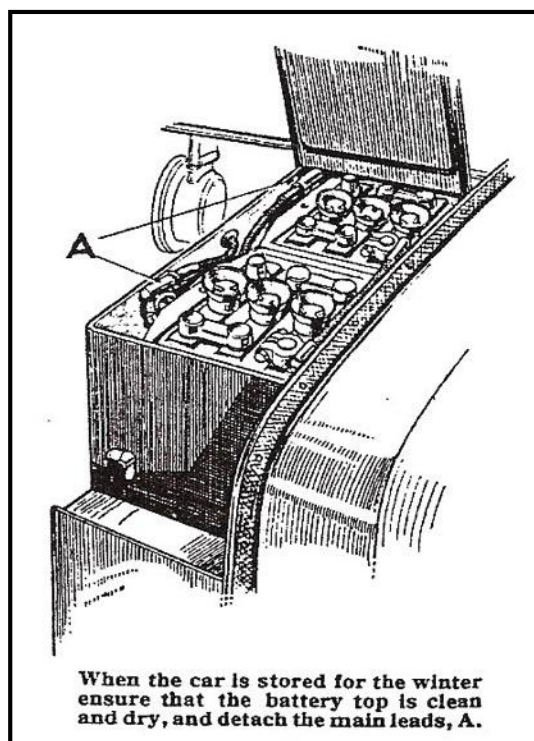

(NHAEG note: The definition of American Cloth is a glazed or waterproof cotton cloth.)

## No 712 – Battery in Stored Car

**Q.** *I shall be obliged if you would give me detailed information as to how I can keep my battery in an efficient state during the time I am laying up the car.*

**A.** The battery must be fully charged before you lay your car up. A fully charged battery will stand for several months without damage, whereas a partly charged or a discharged battery will rapidly deteriorate as a result of sulphation. Ensure that the level of the electrolyte is above the plates and that the battery top is perfectly clean and dry, as moisture or dirt give rise to a continuous leak of current which, though small, will in time fully discharge the battery.

The battery leads should be disconnected as a further safeguard against current leakage, and the battery will then stand over winter, providing that a refresher charge is given, say, every month or two.

This can be done after connecting up the battery leads, by running the engine to bring the dynamo into operation.

*The “Queries of the Month” are reproduced with the kind permission of the Austin Ten Drivers Club (ATDC)*

Every newcomer to motoring must know Barimar—the greatest welding and machining organisation in the Motor Trade.

There is no breakage to Cylinders, Crankshaft or Gearbox that Barimar cannot repair quickly, cheaply and effectually under the Barimar Money-back Guarantee.

Look at this combined Cylinder and Crankcase casting. Would you scrap it? Not on your life, for although a popular, low-priced casting, Barimar can repair it to new condition at far less than replacement cost.

## A Calormeter.

We illustrate above the Wilmot-Bredden Calormeter, complete with radiator cap, which has just been marketed for Austin cars. It is claimed to be the only type of radiator temperature indicator which can be applied to 1933 Austin models without interfering with the quick release action of the radiator filler cap and without troublesome fitting. Various types are made to suit Austin models as follows:

Prince ..	19/6 for Austin Seven.
Sovereign ..	23/- for Austin Ten.
Regent ..	24/6 for Austin Twelve-Four and Twelve-Six.
Emperor ..	29/6 for Austin Sixteen.
Viceroy ..	29/6 for Austin Twenty.

## **THE THORNYCROFT SOCIETY FESTIVAL OF TRANSPORT**

The Thornycroft Society Festival of Transport will be held on Sunday 10th May in Basingstoke Memorial Park.

This is usually a very good day, with very many vehicles, stalls and various trade stands. It is a free entry event to the public, and is well attended.

The Memorial Park is within easy walking distance of Basingstoke town centre, so there is an opportunity to leave the cars and take some retail therapy if required.

The Hampshire Old Timers have booked their places and have very kindly invited NHAEG to set up camp beside them - many thanks to Ken Couzens for this.

If anybody would like to attend this event, please let us know before March club night when Ken will bring some entry forms for completion and return to him on the night, he will then book the appropriate number of spaces with the organisers.

Listed below is the information which will be required on the entry forms.

Registration number of vehicle

Vehicle make and model

Date built

Engine make and size

Brief history of vehicle

Owners name

Phone number

Address and Post code

Insurance Company and Policy Number and Expiry Date of insurance.
