## Club Matters

We apologise for the inconvenience to members for cancelling the February AGM at such very short notice. This was unavoidable due to health reasons of some committee members. The **AGM will now be held at the next club meeting on Tuesday 14<sup>th</sup> March @ midday**. We would especially like to hear from our lady members on how to better support their interests in club activities so please try and attend and consider if you could support the club by standing as a committee member.

On Wednesday 15<sup>th</sup> Don visited The New Inn at Heckfield and met the new owner (Lorna) It was obvious from the new layout of the pub that it will be impossible to have our club meetings there. Lorna said she will be more than happy to see us in the restaurant any time for a meal. Well worth a visit. You would not recognise the place!

Can all members please scan their area for a new venue that would be appropriate for our club meetings. In the meantime we will carry on at Rotherwick until a new venue is found.

The committee is planning a run out for Drive it Day on 23<sup>rd</sup> April and the club will purchase a number of charity plaques for the cars. Please contact Trevor Mulford if you wish to take part.

The club will have a stand and a number of reserved parking spaces at the Basingstoke Festival of Transport on the 14<sup>th</sup> May. If you wish to attend please contact Trevor M.

Later in the year we are planning a short vacation to a hotel in the New Forest. If you have not already expressed an interest in this please contact Don.

The committee is considering updating and re-issuing the Parts and Services directory. However this is a lot of work because the previous version has not been recovered. If you feel this document would be of value to the club, or you wish to contribute, please contact John Bennett at [john.bennett88@outlook.com](mailto:john.bennett88@outlook.com)

Finally, we need your feedback on the type of club activities preferred so that the committee can plan events that will be best supported. Please contact the committee or Trevor Mulford at [trevormulford1942@gmail.com](mailto:trevormulford1942@gmail.com).

# Pre-War Car Spring Gathering 20th May 2023

SAVE THE DATE!

The **Pre-war Spring Gathering** at the Mill House North Warnborough will be held on Saturday the 20th May 2023. At the time of writing the menu options and logistics are still being worked out. Reminders with further details will be sent out in the next couple of weeks.

This year there will not be specific menu options though the pub does intend to run the outdoor BBQ and the full pub menu will also be available. They even have a barn should the weather be spotty, however we've been pretty lucky with sunshine and it's a very pretty place. Hopefully we'll get some NHAEG members to bring their cars along to get a few different marques represented!

For now please save the date if you'd like to come, and let Andy Seager at [andyseager@mac.com](mailto:andyseager@mac.com) know as soon as you can if you intend to come along.

## Join us at the Mill House in North Warnborough Hampshire

This year we're gathering on Saturday May 20th 2023 in the picturesque setting of North Warnborough's 17th Century Mill House. (RG29 1ET) (<http://www.brunningandprice.co.uk/millhouse/homepage/>)

As in previous years, ground conditions permitting we'll have access to the extensive lawn adjacent to the mill pond to display our cars. The Mill House offers a full menu service and bar - further details to follow. For a bit of additional atmosphere we hope to be joined by the fabulous Moonshine Duo for some live music.

Once again we're expecting enthusiastic participation, especially from the local Riley, Austin and Bean car clubs! If you'd like to participate please email Andy Seager ([andyseager@mac.com](mailto:andyseager@mac.com)) and let him know how many people and the type of car you'd like to bring. Once again we'll have access to the Event Barn should the weather prove challenging.

If you represent an area club for pre-war cars please forward this on, together with the contact details below.

We look forward to seeing you there!

Does anyone have any photographs of themselves standing next to their cherished car that were taken back in their youth, and also a more recent picture standing with the classic car they own today ? If you are happy to have your pictures appear in the club bulletin please loan them to Adrian W , or scan and email them.
