NORTH HAMPSHIRE AUSTIN ENTHUSIASTS' GROUP

46th 'Nightjar' Navigational Rally – (Virtual) Saturday 20th November 2021 ENTRY FORM

The NHAEG, on behalf of the Austin Ten Drivers Club, will stage a virtual 'Nightjar' Navigational Rally on the 20th November 2021. This will form part of the Inter Register Club Championship series 2021 and will be held under these regulations and such others as may subsequently be issued prior to the event.

A discretionary maximum of **40** entries will be accepted from members of all affiliated IRC member clubs, plus the VSCC and other invited clubs and individuals.

For those familiar with the traditional 'Nightjar' format, i.e. seeking out hidden bird signs, this year, again and for obvious reasons, these will not be featured. Instead, entrants will carry out six navigational exercises, which, when accurately executed, should lead them to a small village somewhere deep in the picturesque Dorset countryside where, with the aid of Google Maps, in Streetview mode, observational powers are required to determine answers to a number of questions. Since no physical driving or other activity is required time permitted to complete the event is less than might normally be allowed, but is nevertheless considered adequate to do so, although complete beginners, i.e. those who have never competed previously in such an event, either actual or virtual, are being allowed a little extra time.

Event details are summarised briefly here:
